The perfect choice for growing families, as well as boasting dual living potential, this beautiful family home is ready for you to love for many years to come.

With your first step through the front door you'll be swept off your feet by the charm that this family has cultivated for a generation. Polished bamboo floors, a fantastically renovated kitchen and open plan living makes for a warm and welcoming environment, while the large back deck is perfect for year round entertaining.

Teenagers will love the huge downstairs rumpus room, with a fifth bedroom and extra bathroom for them to have their own space, or even presenting the ideal setup to host the extended family.
