House For Sale

Tuesday, 7 January 2025

11 Griggs Street, Tennant Creek, NT 0860

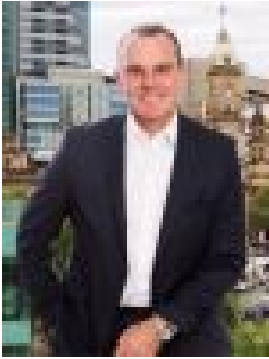

Bedrooms: 4

Bathrooms: 2

Parkings: 6

Area: 849 m2

Type: House

Warren Andrews

\$430,000

On 894m², these 2 x 2 bedroom units are of brick construct (circa 1985) and currently leased to the NT Government, and currently show a 6.3% gross return. Enter into a good sized lounge room with split system airconditioning. Both bedrooms are well sized, airconditioned and the master has built-in robes. The kitchen is very functional and certainly large enough for a young family. The units are divided by a sturdy fence and both have good sized yards and clothes hoists. This investment is almost a "purchase and forget" property and is a must to see.
