Auction Location: Auction On Site Welcome to 11 Kerri Close, Charlestown—a 3-bedroom, 2-bathroom gem that's serving all the Hamptons/coastal vibes with a modern twist. From the perfectly manicured front yard (hello, palm trees!) to the light-filled interiors, this one's got "dream home" written all over it. Inside, you'll find new floating floorboards that are all about effortless flow, a sleek renovated kitchen with bench space for days, and open-plan living that says, "Come on in and stay awhile." The bedrooms? Carpeted, and ready for lazy Sunday sleep-ins. And that main bathroom? Those floor-to-ceiling tiles are giving spa energy. Now, let's talk about that backyard. Slide open the doors to your alfresco deck, pour a drink, and soak in the views of your sparkling pool (glass fence included for the chic factor). Whether it's a summer BBQ with mates or just you and a good playlist, this outdoor space is pure weekend goals. Tucked away in a quiet cul-de-sac but still close to everything Charlestown has to offer, this is the kind of place you move into and never want to leave.
