Solidly built and positioned high on the ridge, this brick-and-tile home is ready for a family to move in and make it their own. Inside, you'll find a bright and spacious L shaped living/dining room with air-conditioning. The modern kitchen is well-equipped, with a large servery window that allows you to chat to your guests as you prepare your meals. There are three bedrooms, all with built-ins. The bathroom has a tub and shower, plus separate toilet for convenience. Enjoy outdoor entertaining from the wide front porch or relax on the long, north-facing back patio. Other features include security screens, fresh paint and timber-look flooring.

Downstairs you've got a double lock-up garage, plus workshop/storage room with extra toilet and shower, which could be utilised as a rumpus room or guest bedroom. The easy-care backyard is flat and fully fenced, with a freestanding barbeque area and garden storage area.
