The renovated kitchen is a standout feature, equipped with premium Westinghouse gas appliances, sleek cabinetry, and a spacious design that flows effortlessly into the living space. From here, take in the stunning views of the backyard oasis, which boasts a sparkling solar pool framed by mature palm trees – a peaceful sanctuary that feels miles away from the hustle and bustle of everyday life

The property's thoughtful updates extend to the finer details, such as brand new solar panels and systems, the hybrid spotted gum flooring (waterproof and durable), blinds, and an upgraded switchboard

For those who need additional space, the home offers a separate 4th bedroom or home office with its own en-suite and second toilet – ideal for working from home or hosting guests in a private and comfortable space

Outside, the low-maintenance landscaped garden provides the perfect backdrop for outdoor living. The showpiece pool is framed by palm trees, offering a serene place to relax and unwind. The large secure garage ensures plenty of storage, and the entire property has been carefully designed to make living here as effortless as possible
