Convenient Location on a Large Flat Block!

This beautiful family home set on a large 910m² (approx.) flat block is something that needs to be considered!

The floorplan of this home has been carefully thought out with the two main bedrooms and bathroom situated at the front of the home, and the master bedroom and ensuite segregated to the rear of the home, allowing privacy for parents, children or guests. All three bedrooms are of good size and include built-in-robos.

Designed with ample amounts of storage, the modern kitchen and formal dining area truly is a fabulous space. The dining area flows seamlessly into the large living area creating the perfect indoor entertaining area.

The front yard has been beautifully manicured, but the rear yard is a blank canvas ready to be perfected by its new owners. The home has been set to the left hand side of the block, allowing for ample side access for caravans, boats or trailers. There is also enough space for an additional large garage (STCA).

The property is situated perfectly between the Devonport's CBD and Spreyton's suburban heart and just a short drive from the very popular and forever growing Homemaker Centre.

Large family homes in this area do not last long! For more information or to book a private inspection please contact the listing agent Kurt Knowles today.
