Please call to arrange a viewing time if required. Located within an established community title group, Lot 103 is vacant and ready for construction to commence. With the common driveway already established and all homes facing onto the driveway completed, this is the last block available. With the neighbouring homes already constructed, you can have peace of mind knowing that the construction of your home will be complimented by the quality of the neighbouring homes within the group. There is no time limit to build so you can secure this property now and make plans to build when you are ready. This is a great opportunity for those who qualify for the First Home Owners Grant.
