A better lifestyle in Olive

Oozing old worldly charm throughout, this beautiful character Olive Avenue home is a keeper..

Ideally positioned in one of our favourite inner-city locations, this immaculate home is solid, extremely well cared for and sitting on a very generous 659 sqm allotment. Pretty from the front, upon entry the appeal continues, with stunning timber floorboards, high ceilings, original timber ornate features and picture rails that add a warmth and charm hard to replicate.

The home is surprisingly spacious and offers three large bedrooms, large main bathroom and very generous living. The formal lounge features an original brick fireplace fitted with a gas wood look heater, an ideal place to take it all in. The spacious kitchen and dining area flow perfectly through to the rear of the home that overlooks a picturesque rear yard!

Take in the evenings under the generous rear pergola, the backyard has lots of features to take in and enjoy, plus the property features a generous workshop plenty big enough to tinker.

Affordable inner city homes this immaculate and well placed are difficult to come across, let alone secure. Enjoy Mildura's busy inner city lifestyle, easy walks to our CBD, cafes, restaurants, river front and all that it offers.
