With a splendid blend of quality blockwork construction and a convenient location close to local schools, shopping, and transport, this promising home may be the one you have been holding out for. A unique artists' haven on a sprawling 1,139sqm (approx.) landscape with single carport, garden shed, and lush foliage, investing here will pay dividends.

This single-storey dwelling foreshadowed modern living with its clever layout. Upon entry, the open plan lounge with gas log fire, dining area with sunny skylight, and contemporary kitchen with quality appliances including a gas cooktop and Bosch wall oven serves as the heart of the home. Also at this end of the dwelling is the primary bedroom with walk-in robe and ensuite tucked away for peace and privacy.

At the other end of the home, the family room with tile flooring adjoins the 3 other bedrooms with built-in robes and the bespoke bathroom with soaking tub and hand-crafted mosaic wall. The laundry with WC also resides here and provides access to the rear balcony and back yard.

Additional highlights include floor to ceiling windows, gas heating, stylish laminate floorboards, and plenty of storage.
