Serene Lakeside Family Haven

Embrace the ultimate family lifestyle in this popular lakeside estate, where peaceful surroundings and modern living come together. Imagine starting your day with a leisurely stroll to the lake or local parklands that are just moments from your doorstep, or enjoying the serenity of no neighbours across the road. Designed for comfort and family living, this home features a spacious open-plan family area that flows seamlessly to the alfresco, perfect for weekend barbecues or relaxed evenings outdoors.

The media room provides a cozy retreat for family movie nights, while the four bedrooms, including a big master with a large ensuite, offer private spaces for everyone. With easy access to the freeway for a stress-free commute and a double garage and shed, this home is the ideal backdrop for a lifestyle filled with convenience, relaxation, and cherished family moments.

For more information or to book an inspection please contact Tracey McDonald on 0404 033 533.
