Massive Block Live at Front - Build Dream Home at Back

An excellent opportunity presents itself from time to time whereby you have ample room to build your dream home whilst being able to live in current dwelling at front of block

Located in town on a full acre close to everything Hamilton has to offer the house is situated right at the front of the expansive block with oodles of room to build your dream home including a shed plus still ample room for the kids to play in a safe and secure environment

The house offers large bedrooms with the master being huge with a walk in robe and great views over the garden

A separate private Loungeroom with heating/cooling air conditioner

Kitchen/Dining/Living is in the heart of house with electric cooking, , double sink, ceiling fan and ample storage

Family bathroom has separate bath, shower, vanity & toilet

Laundry has ample storage and outside access

Excellent well fenced yard around house which is both pet/child friendly

3 Small sheds plus a larger shed on concrete with power plus ride on mower to take care of the huge back yard

An opportunity like this rarely presents itself to save money by living on site and being able to build your dream home Don't miss this chance!!!!!!!
