Contemporary Style, Abundant Space & Spectacular Mountain Views

Beautifully elevated beyond a stunning landscaped frontage, this dynamic 4 Bedroom, 3 bathroom family residence offers lifestyle flexibility, spectacular views and outdoor entertaining allure. Impressively appointed and zoned to perfection, the light-filled interior displays a remarkable sense of space throughout a gourmet Kitchen/Meals area (Bosch/Ilve appliances, stone benches and WIP) and generous Lounge/Dining domain opening out to a balcony capturing beautiful views of the Dandenong Ranges. To the rear, a resort-style entertaining domain includes a swimming pool, covered deck and cabana - all surrounded by luxuriant easy-care gardens. A lower-level Rumpus/Games room is versatile as a teenage retreat, and is further enhanced by an alarm, ducted heating, split system AC, balcony overlooking the pool, 2 x single carports and ample off street parking with room for a boat/caravan. Located in a peaceful court setting, within Mount View Primary School catchment (STSA), moments to Jells Park, Caulfield Grammar, train/bus services, local shops, Waverley Golf Course and The Glen.
