Positioned on a robust 714.9sqm block with side access, the external inviting exterior makes & leaves an immediate impression. From the manicured lawns, quaint cottage gardens, and a winding stone pathway that leads to an elevated concrete verandah - a welcoming spot to enjoy your morning coffee ritual.

On entry you'll truly appreciate the sunny north-facing aspect, to your left the main living and dining areas are bathed in natural light through expansive picture windows and doors. A fresh & neutral palette coupled with the hardwood timber floorboards that flows through the home, all conveying a warm & inviting atmosphere, while high ceilings and original art deco details enhance the sense of space.

The second informal living area features a stunning wood-burning fireplace as its centerpiece, complete with a decorative tiled hearth and a timber mantel that seamlessly integrates into the surrounding custom cabinetry-a cozy space for cooler months. This space is offset from the kitchen, a true standout, featuring hexagonal floor tiles, contemporary timber benchtops, quality stainless steel appliances, and subway tiled splashback.

The sleeping wing of the home features, three generously sized bedrooms, with built-in wardrobes in two. The master bedroom is spacious, with decorative wooden paneling & floating bedheads, while the main bathroom central to them all showcases large tiles, floating vanity and large shower. The optional 4th bedroom features as a current utility room which was formally the Master Bedroom complete with its very own ensuite & access to a timber deck, accessible through sliding glass doors.

Externally the home continues to impress, with spacious & flourishing gardens, a second elevated timber undercover alfresco just perfect for family gatherings or quiet relaxation. Secure fencing adds peace of mind for the fur babies & kids to enjoy.

The location on offer is second to none, being super quiet & a short walk has you at the doorstep of 3 shopping centres, bowling club, public transport options & schooling/daycare options.
