Ready for the ultimate indoor-outdoor lifestyle? This exceptional single-level sanctuary promises precisely that, with a design that promises effortless living and entertaining. Situated on a 589m² block, it cleverly blurs the lines between internal and external zones, with the open-plan dining and lounge area flowing freely onto the alfresco area via bifold doors. An expansive space that boasts covered and open-air zones, it's perfect for hosting large gatherings or simply relaxing under the sun. While outdoors, take advantage of the refreshing pool, and the abundance of secure space for kids and pets to play.

Large picture windows illuminate the elegant interiors in natural light, creating a bright and inviting ambiance, while functionality is paramount too, with the galley-style kitchen positioned with direct pool views. The master suite echoes this, with pool views and access, complemented by a walk-in robe and luxe ensuite. Three additional bedrooms are serviced by a stylish main bathroom that boasts a freestanding bath, with other key features comprising a spacious living room, a versatile media room/office and handy side access to park a jet-ski.

Nestled in Oyster Cove, a popular enclave neighbouring Monterey Keys and Hope Island, enjoy being walking distance to dog-friendly Saltwater Park and mere minutes from Hope Island Marketplace. Schools, public transport and sporting facilities - including three championship golf courses - are also close, along with marinas and access to the M1.
