Expansive Home in Prime Location

Occupying an elevated position to enjoy picturesque water views, this spacious home provides space for the whole family to enjoy the lifestyle that Taroona has to offer.

The upper level's open-plan living area forms the heart of the home. The modern kitchen, featuring expansive engineered stone benchtops and ample storage, provides an enjoyable space for meal preparation. Adjacent to the kitchen, the living and dining areas both open onto covered decks through sliding doors, allowing seamless indoor-outdoor living. Three of the home's four bedrooms are also located on this level. The master bedroom includes an ensuite and a walk-in wardrobe, while the remaining bedrooms, each with built-in robes, share access to a central family bathroom.

The fourth bedroom is located on the lower level, and so too is the third bathroom and an additional living space, which could potentially serve as further accommodation if desired. There is an abundance of storage both on this level and upstairs, with various cupboards throughout as well as under house storage and a double garage, providing secure parking for two vehicles.

Located in a quiet, leafy pocket of Taroona near the border of Sandy Bay, this home will appeal to those seeking a peaceful lifestyle without compromise on access to excellent schools, shops and amenities in these sought-after suburbs. The popular beaches of Taroona are within walking distance of the home and Hobart's CBD is a short journey away by car or public transport. This truly is an exceptional opportunity for family living in a coastal locale.
