The Best of Town and Country

Quietly nestled within easy walking distance to Mollison and Piper Streets, this fully renovated Victorian home easily caters for a growing family or for those who simply love to entertain in style.

Offering 4 generous bedrooms plus a large home office and 2 living zones, a chef's kitchen with stone benchtops, spotted gum flooring throughout the hallway and kitchen and 2 stunning bathrooms (both with baths), this is a fully restored and renovated Victorian home with a contemporary twist. The home is cooled with reverse cycle air conditioning in 2 zones and ducted heating throughout and a gas log fire in the study/home office ensure year-round comfort.

This is a property that also celebrates the rural outdoors; a fully fenced chicken run, and coup and an abundant vegetable garden will delight the avid gardener. This, in conjunction with 20 German-made solar panels on the roof, will provide an enviable, sustainable lifestyle.
