Move straight in to this beautiful home and start enjoying the peaceful vibe of Eumundi! The level corner block has a northerly aspect on the garden side (with room for a pool) and a leafy nature reserve at the front. A spacious entry has double doors to the formal living area and internal access to the double garage. The centrally located open plan kitchen, dining and family area faces north to the garden and outdoor covered patio - just the spot for breakfast or a relaxing evening drink after a hard day's work! All four bedrooms have built in robes, ceiling fans and security screens. The spacious master bedroom has an ensuite, walk in robe and direct access to the outdoor patio. Quality build by award winning PJ Burns Builders includes tinted glass windows for privacy. There's a 5,000L rain water tank to supplement the town water and potential to park an RV or caravan at the rear with access from side street. Great location here just 14 min level walk into town to enjoy your favourite coffee, lunch and twice weekly markets. Noosa beaches only 25 mins away! INVESTORS - this would rent around \$875 - \$900pw in current market.
