Renovator's Delight on Elevated Block!

Proudly sold off market by Sid Elias. Set on the high side of a quiet street, this property is in need of some serious work but offers a fantastic opportunity for those looking to renovate and add value. Situated on a generous 627 m² block, it's perfect for investors or first-home buyers with a vision. The home provides a great foundation, with plenty of potential to modernize or extend. Located close to local schools, shops, and easy access to the M4, this could be your next project!
