Discover the pinnacle of refined living in this stunning family home, masterfully designed by Pickford Design. Situated in a quiet, serene location, this residence offers a harmonious blend of timeless elegance and contemporary upgrades, making it a truly unique find. From the moment you arrive, the elegant paved herringbone driveway sets the tone for the sophistication that lies within. Nestled in a peaceful setting, the property boasts a private, established terraced garden, providing a tranquil oasis with lush green space at the rear. Step inside to experience the luxurious ambiance of four generously sized bedrooms, including a sumptuous master suite with a beautifully appointed en-suite. The home is further enhanced by a stylish main bathroom and a convenient powder room. Designed for both relaxation and entertainment, the residence features three distinct living areas. A large lounge, a family/dining room, and an upstairs sitting room or study offer versatile spaces to suit any lifestyle. Recent enhancements include fresh paint throughout, plush new carpeting, elegant new window furnishings, contemporary light fittings, and a state-of-the-art oven and ceramic cooktop. Year-round comfort is ensured with central gas heating and a Mitsubishi double stack reverse cycle heating and cooling system. The convenience of a central vacuum system adds to the home's practical appeal. The outdoor living area is equally impressive, with a large undercover pergola perfect for alfresco dining and entertaining. A spacious two-car garage provides ample storage and secure parking. This residence, impeccably maintained by its sole owner, offers a rare opportunity to acquire a home of unparalleled quality and charm. Arrange a private viewing today and experience the sophisticated lifestyle that this Pickford Design masterpiece affords.
