RENOVATORS DREAM! SOLD AS IS - CLICK ON VIDEO ICON FOR 3D VIRTUAL WALKTHROUGH

Welcome to 13 Steinbeck, Spearwood, an exceptional opportunity for renovators looking to put their stamp on a substantial property brimming with potential. Nestled on a generous 720 square metre plot, this 3-bedroom, 2 bathroom house invites visionaries to revitalise its classic charm.

The residence boasts a robust structure with security screens for added peace of mind. Upon entry, you'll be greeted by a sunken lounge, offering a cosy retreat for relaxation. Adjacent lies a separate dining area, perfect for hosting intimate dinners or family gatherings. The spacious kitchen, equipped with a gas cooktop and electric oven, awaits your culinary creativity, while a dedicated bar area hints at the potential for entertaining guests.

Beyond the kitchen, the living area presents a canvas for your interior design dreams. The bedrooms offer a comfortable respite after a day of remodelling, and the house includes a practical spacious laundry.

Step outside to discover a vast entertainment area that could be transformed into an enviable alfresco paradise. The single garage doubles as a workshop, catering to the DIY enthusiast or hobbyist. The sustainability-focused will appreciate the solar panels and reticulation system already in place.

Security cameras & Roller shutters ensure a secure environment, while the existing fruit trees promise the sweet taste of homegrown produce. With ample parking space for two vehicles, this property is a renovator's delight that offers ample room to grow and innovate.

Seize the chance to craft your dream home at 13 Steinbeck, Spearwood, WA, 6167 - a haven awaiting your signature touch.
