A charming single level home

Immerse yourself in a scenic natural ambience, private north aspect and beautifully presented, comfortable interiors in this charming single level urban homestead.

Wide 'grey washed' Oak timber floors flow from the front door to the rear verandah, which is accessed via wide sliding glass doors from both the dining room and the main bedroom, while the character of the home is enhanced by ornately detailed ceilings and plantation shutters throughout, in addition to two tastefully renovated bathrooms.

The remote controlled gas fireplace in the lounge room and stylish 'eat in' kitchen are central, standout features of the air-conditioned property, which hosts three generous bedrooms (all with quality wool carpets), an outdoor studio / office (or rumpus / gym) and a pool set in a level, private and secure (child/pet safe) rear north yard. There's also a lock-up garage and secure off-street parking for 3 more vehicles.

A leafy, quality cul-de-sac location within walking distance to transport, schools, shops and amenities give this property added family appeal – your inspection is welcome and recommended.
