Renovated and Move-In Ready, Your Family Home Awaits

Please see our television quality video and 3d tour to really get a sense of what living in this house is really like!

It's not often we find a house that has had a complete renovation to this degree. With fresh tiling, fresh paint, a fresh kitchen and bathroom, there's nothing left to do here but move in and enjoy.

The centrally located kitchen has also been renovated from top to bottom with miles of bench space, room for a family-size fridge and a pantry large enough to hide the cookies from the kids.

All four bedrooms are large enough to fit a queen-size bed and feature brand new carpets and split system air conditioning to keep your family cool through the hottest of Summer nights.

There's also an office with built-in cabinetry so keeping the kids out of your paperwork will be easy!

The family bathroom features a large walk-in shower and a stylish floating vanity.

Entertaining will be easy on the covered patio, perfectly positioned to overlook the entire backyard so you can keep an eye on the kids while sparking up the barbie.

There's even a great shed so you can store your tools and toys securely.

There's plenty of room on the fenced 637 sqm block for the kids and pets to play. On the roof, the 5kW solar system is sure to help keep those energy bills down.

Local shopping is just a couple of minutes up the road at Riverway Plaza. Here you'll find everything from a Woolworths to a Subway (there's even a McDonald's here!). Major shopping at Willows shopping centre is a 10 minute drive away. Townsville's largest employers, James Cook University, Lavarack Barracks and the Townsville Hospital are 13 minutes away via the Ring Road. The Townsville CBD and beautiful beaches of the Strand are a 28 minute drive away.

Renovated top to bottom, with 4 bedrooms and a shed, properties like this are hard to find, so you better be quick. Enquire today to ensure you don't miss out!
