Immaculate, Modern and Family Friendly!

This beautifully renovated four-bedroom brick home set in arguably West Ulverstone's best street is something rather special!

The upgrades and improvements to this stunning home are prevalent as soon as you pull up, with the stunning landscaping works and glass balustrading around the front patio. This theme is extended throughout the home with the beautiful modern kitchen with island bench, modern flooring plus tastefully updated laundry and bathroom.

The downstairs area is a fantastic feature of this home, the large rumpus room, second toilet and internal access garage add a sense of practicality to this larger family home.

Another fantastic attribute to this home's location is its position next to the Upper Maud playgrounds which all but adds a large maintained extension of the backyard for summer cricket matches or to kick the football!

The home is located nearby local beaches, schools, shops and doctors' surgeries plus is serviced by all of the standard town utilities.

This home is ready to move into, put your furniture down and start living, with absolutely nothing to do!
