Welcome to 14 Baltons Road, an elegantly designed, custom-built home where warm, inviting interiors meet upmarket style on a pristine stretch of countryside. This home radiates cosiness and sophistication, creating a truly unique and luxurious country living experience.

With three spacious bedrooms and two bathrooms, including a beautiful ensuite, this brand-new, light-filled home blends modern comforts with classic charm. Its clever design offers plenty of privacy along with communal spaces and beautiful views. An open-plan layout connects the kitchen, dining, and living areas to a large alfresco space, providing a seamless indoor-outdoor flow that's perfect for entertaining. The double-sided fireplace brings warmth to both the living and alfresco areas, while ceiling fans ensure year-round comfort.

The kitchen, with its generous butler's pantry, is designed for ease and style, and the spacious laundry includes a practical wet/dry set-down area for all those country-living moments. While a second festoon-lit alfresco space offers a more private entertaining space. Plantation shutters throughout the home add elegance, while a modern media room provides a perfect retreat.

Outside, the sparkling in-ground pool, framed with glass panelling, invites relaxation alongside a fire pit area surrounded by towering gums. This property also features a two-car garage and a high-access, four-car shed.

The tree-lined driveway, pristine lawns, and breathtaking views makes 14 Baltons Road a secluded rural retreat, but with the conveniences of town less than 20 minutes away.
