## Size, Style and Location

This stunning two-level home offers an elegant blend of style and comfort, ideal for families seeking a relaxed coastal lifestyle.

Elegantly layered over two levels with three massive living areas and a study or fifth bedroom option, this home is perfect for a family wanting to be close to pristine beaches, parks and schools.

Other features:

- Decorated in neutral tones and a lush leafy outlook, the home is cleverly designed for family living
- Multiple living areas bathed in natural light, perfect for entertaining or family relaxation
- The study offers an option to convert to a fifth bedroom if needed or provides a great office space to work from home
- Formal and informal dining areas
- Stylish, Hamptons-inspired kitchen with a contemporary design offering stainless steel appliances including dishwasher, oven, gas cooking and convenient breakfast bar
- High ceilings and ducted air-conditioning throughout
- Renovated bathrooms, stylishly finished with floor to ceiling tiles and a standalone bathtub in the main and a third toilet downstairs
- Four generous bedrooms, all with built-in wardrobes (master with ensuite and walk-in robe)
- An outdoor oasis with a massive timber deck which beckons for alfresco dining, summer barbecues, and lazy afternoons soaking up the sun
- Complete with a single garage at the rear
- The front porch of the home provides a sunlit outdoor space to enjoy your morning coffee, overlooking your fully fenced, landscaped yard at the front

A statement in relaxed and sophisticated style, with an open, sunlit design, this beautiful family home is located close to Shell Cove Marina and the Village where you can enjoy a coastal lifestyle of seaside walks, morning swims, coffee dates or laid-back dinner outings.

This exquisite home offers the perfect blend of luxury, convenience, and a relaxed coastal vibe, call now to arrange an inspection.
