Solid build - Great location - Sea views!

Located in a quiet area close to parks, schools, day care centres, shopping and transport, this new to the market home is a really solid build and has good sea views. There is also plenty of room on the level fenced block for a shed and a pool! Step inside to a freshly renovated home with open plan living areas which open on to the front deck, new kitchen, updated bathroom and 2 built in bedrooms. Internal stairs lead to a bar / games room, an office or third bedroom, second bathroom, laundry, car accommodation and work shop area.

The level block has access on both sides and would be perfect for a shed and still have plenty of room for the pool and outdoor entertainment area.

Features at a glance;

- * 2 built in bedrooms plus office or third bedroom.
- * Fresh new kitchen and 2 bathrooms.
- * Good sea views.
- * Can accommodate upstairs and downstairs living.
- * Fully screened, fans and air conditioning.

Don't miss this one! Call me today for inspection times or further information.
