Stylish Brick Beauty in the School Zone

Zone in on yesterday's dream home and live today's dream of a highly-prized South Oakleigh Primary School Zone address. Built as a builder's own post-war dream home, this classic three bedroom (with flexibility to create a fourth), two bathroom c.1950 brick beauty is a superior example of its time; from hidden treasures to on-show features including deep corniced Art Deco ceilings, solid timber floors and impressive fireplaces.

Unfolding beyond a beautiful repurposed etched-glass front door with fine formal lounge and dining rooms (separated by more eclectic etched-glass), the home is graced with grandly scaled robe-fitted bedrooms including a vast master with room to retreat. Extended to provide a seamless indoor-outdoor floor from the fan-cooled family zone (big enough to fit a home-office) to an all-season café-blind enclosed al fresco deck, the home is styled for today's lifestyle.

Starring a stylish prestige appliance kitchen at the heart of the home and glossy bathrooms including dedicated dual-vanity bathroom (with glass-box shower) for the master, this reverse-cycle air-conditioning and centrally heated home features contemporary comforts with the fresh style of the latest satin Scandi-style polished-boards, brand new front-facing windows, a warming woodfire heater and cost-saving heat-pump hot-water.

Secured by four-camera CCTV with the added peace of mind of up to six-car parking, there's a high-clearance carport and tradies' paradise workshop garage with workshop and loft storage. With nothing to do but move in and live the dream within four blocks of Oakleigh South Primary School, you'll find all you need within a stroll from nearby Links Shopping Centre, Oakleigh's hospitality and Chadstone's retail therapy within minutes, and bus-routes across Melbourne within steps!
