SPACIOUS BLOCK WITH CONVERTED WORKSHOP HOME AND SPA – IDEAL FOR DOWNSIZERS AND OR BUILDERS

This unique property features a large block with endless potential! The converted workshop has been transformed into a comfortable one-bedroom home, complete with a modern kitchen, spacious bathroom, and a study. It's perfect for those looking to downsize or move from a rural setting but still want room to enjoy outdoor living.

The expansive yard offers plenty of space to relax or tinker, with a verandah and an above-ground spa for added comfort. For those with bigger plans, there's ample room to build a new home in front of the existing structure while maintaining the current setup as a guest space or studio.

Ideal for downsizers, hobbyists, or those looking to build their dream home, this property combines flexibility with comfort in a peaceful setting.

- ?Converted workshop with 1 Bed,1 bath and study
- ?Room for additional build if desired
- ?Large patio with deck-top spa
- ?Additional out-house structures for undercover working
- ?Secure 1800 parameter fencing with sliding gate
