A Templestowe Treasure Zoned to Serpell Primary School & EDSC

Nestled in the heart of Templestowe, this spacious and versatile family home offers exceptional living on a generous 706 sqm block. Zoned to the highly sought-after Serpell Primary School and East Doncaster Secondary College, the property boasts a thoughtful design that caters to family needs while offering added convenience and comfort.

The residence features five good-sized bedrooms, all with built-in robes, complemented by high ceilings that create a sense of openness throughout. A self-contained flat provides a private retreat, complete with its own kitchen, living room, meals area, and master bedroom with ensuite, making it perfect for extended family or guest accommodation. The home also includes three bathrooms, ensuring functionality for larger households.

At the heart of the property lies a spacious alfresco area, complete with a built-in barbeque, ideal for entertaining or enjoying quiet outdoor moments. The large rumpus room adds another dimension to family living, providing ample space for relaxation or recreation. Additional conveniences include a laundry with outdoor access, under-stair storage, and a secure double garage, offering both practicality and peace of mind.

Designed with sustainability and comfort in mind, the home is equipped with 6.6-kilowatt solar panels and is very well insulated for year-round energy efficiency. The combination of space, functionality, and eco-friendly features makes this property an exceptional opportunity.
