Relaxed Lifestyle Home with Elegance in Ellenor

Come home to this immaculately presented 3 bedroom brick residence and enjoy an abundance of features in a convenient, central location. Built in 2008 on a 1272m² block this modern home boasts a myrtle timber kitchen with leadlight cupboards, a breakfast bar and loads of space, built in robes in all bedrooms, 2 toilets and a generously proportioned dual access bathroom.

Keep comfortable and cosy with a freestanding wood heater plus an electric heater in the living room, and keep your electricity bills to a minimum with a 4.2Kw solar system on the roof.

Outside on the flat, level block is an extra-large garage (suitable to house 4 cars (or use as a large workshop) and a large shed with high clearance (built to house a campervan) all surrounded by attractive, landscaped gardens. A 10,000 litre water tank supplies the vegetable patches and low-maintenance gardens, toilet and laundry.

With the convenience of dual access from Charles Street as well as Ellenor Street, this neat, well-designed home is only a short stroll to the town centre and recreation ground, and close to schools and supermarkets.
