Immaculate historic home

Nestled in the heart of St Marys, this immaculate federation-style residence on a sprawling 3035 sqm block of land offers a blend of comfort and space for you and your family.

Dating back to 1937, this home radiates timeless charm and character seldom found in contemporary properties. With three good sized bedrooms, the master bedroom showcases a picturesque bay window adorned with original stained-glass details. The open-plan kitchen/dining area, complete with a modernized kitchen featuring a pantry, fireplace, and split system for optimal heating and cooling, creates a welcoming ambiance for gatherings. Additionally, a pristine white bathroom and separate laundry with ample storage ensure convenience and practicality.

Step outside to discover the inviting front patio, perfect for savouring your morning coffee, while the meticulously maintained lawn and grass area provide an idyllic backdrop for outdoor entertainment against the backdrop of breath-taking mountain views and the surrounding landscape. The expansive fully fenced back paddock offers plenty of space for a horse or two, while the house block boasts a vegetable garden and established fruit trees.

Conveniently situated near the local school, sporting club, and amenities, St Marys offers a warm community atmosphere with a wealth of conveniences, including cafes, supermarkets, a library, hospital, and more.
