This circa 1930 freestone symmetrical cottage is perfectly situated in the heart of town, within walking distance to the Main Street, shopping centres, schools, medical facilities, and public transport. The convenience of this location is matched only by the charm of the home itself.

The formal lounge room is a cozy retreat, complete with a combustion heater and split-system air conditioner ensuring comfort.

The heart of the home is the country style kitchen, with an adjoining dining area providing functionality. The bathroom has been tastefully renovated, featuring a separate shower and bath for added convenience. At the rear of the home is a study area, laundry and separate WC.

Outside, the charm continues with a rear veranda ideal for outdoor entertaining or quiet relaxation.
