CODA is bringing the luxury contemporary lifestyle you've always dreamed of to a destination that already feels like home. This effortless expression of coastal living brings a cosmopolitan edge to Coffs Harbour's town centre, designed by seasoned locals that understand how life flows naturally around here.

From the new pedestrian laneway, wander through CODA's ground floor retail space and soak up the community vibe. Balconies with cascading greenery extend over alfresco dining spaces, providing a place you can enjoy throughout the seasons.

With cafes, restaurants and specialist retailers, it's a place to share with family and friends, just minutes from your front door.

Coda is currently under construction with completion expected early 2025. Here is your opportunity to secure a high floor Apartment in one of the best developments within the Coffs Harbour CBD.
