Endless Possibilities in a Prime Location!

Discover the potential of this prime development site, perfectly situated on a generous 964m² block, sloping towards the front street. This property offers incredible opportunities for developers and families alike:

Development Potential: Explore options to subdivide and build a second dwelling, or consider developing 4-5 units/townhouses (subject to council approval).

Spacious Living: The home includes 3 bedrooms, 1 bathroom, and inviting living spaces, ideal for comfortable family living.

Perfectly Located: Directly opposite Wallsend Park, enjoy access to open green spaces for an active lifestyle.

Convenient Proximity:

- Wallsend Shopping Village and local amenities are just minutes away.
- Stockland Jesmond Shopping Centre – only a 6-minute drive (2.9 km).
- Newcastle University – just an 8-minute drive (9 km).
- Quick access to the M1 expressway for easy travel to Sydney.

Whether you're looking to invest, develop, or create your family home, this property is bursting with potential. Don't miss out on this unique opportunity!
