Welcome to 152-166 Sheredan Road, Castlereagh.

Impeccably presented and nestled in the blue-ribbon enclave of Castlereagh, this property combines idyllic acreage living with extensive infrastructure. Surrounded by quality residences, this estate is ideal for those seeking a rural retreat with the potential to make it your own.

Set well back from the road on the high side of the street this solid brick homestead features 3 generously sized bedrooms plus office to the master, with high ceilings throughout. The home has been recently renovated throughout with fresh paint, new flooring and the new country-style kitchen with stainless steel appliances and stone benchtops, not forgetting the fresh new bathroom with floor to ceiling tiles leaving nothing to do except move in.

In addition there is a large living area plus bar with slow combustion fire that leads to a large separate dining. From every window internally you can see the beautiful rural outlook with wrap-around verandas and mountain views from the front of the home.

This amazing homestead offers many options for many different buyers, with the addition of detached double garage and carport, plus a second storage shed or large workshop leaving plenty of options for all the buyers. Properties like this do not come along every day, so do not let the chance pass you by.
