**A total surprise package!**

This lovely home has been extended and renovated to create a 4 bedroom residence with spacious living/dining.

Luxurious carpet, heat pump (plus wood heater), a great kitchen with new stove, handy laundry, great bathroom, solar panels, two rooms with roll down security blinds and so much more.

A large sunny deck, leading to the in-ground family pool with new saltwater filtration system.

A double garage and plenty of room for children and pets to enjoy running around.

Close to the school and walking distance to the town.

This is a beauty!
