ONE OF A KIND HOME

This charming property exudes character and warmth from every corner. Enter through the front gate, where you'll be welcomed by mature trees and lush gardens, then step onto the front porch and into a spacious hallway. From here, you'll be led to the open-plan kitchen, lounge, and dining area. The generous lounge features French doors that open onto the back deck, with another set leading to the carport.

The large kitchen boasts bifold windows that open to the back deck, a sizable oven ideal for cooking any meal, and a dishwasher for easy clean-up. Three spacious bedrooms, each with air conditioning, provide comfort, while a second living room with a wood fire adds to the coziness. High ceilings and beautiful floorboards run throughout the home.

The backyard is a peaceful retreat, offering ample shade from established trees and featuring a double garage for convenience. This property stands out with its unique and beautiful character.
