Located just off Pipers River Beach, around the corner from the coastal beach/waters of Bass Straight is the idyllic seaside hamlet of Bellingham. 16 Albert Street is available for rent now - (from 00.00.24) a 2-bedroom, 1 bathroom home with open plan living, a quirky but practical kitchen and a pergola covered outdoor entertaining area that displays all the character and charm you'd expect from a pastel painted beachy cottage. The surrounding yard is low maintenance and offers 2 storage sheds, a couple of raised vegie garden beds and a very sensible concrete car parking pad. 2 x tanks hold your water and there is a single extra long garage to keep your car and beach toys safe. And if you are a boat owner you will be able to launch your boat literally at the end of the street! The closest shop to Bellingham is the Pipers River General Store (approximately a 20-minute round trip). A little further North is Bridport (30 mins by car), George Town 40km West and Launceston is an easy drive of just under 60km.
