Area Specialist is proud to present 16 Bundeena Avenue, Keysborough. This traditional red brick home enjoys an Eastern orientation and is positioned within close proximity to schools, public transport, parks, sporting facilities and a major shopping centre. Presenting with an easy maintenance front yard bordered by neat planters, the home offers a long concrete driveway that leads down to a vehicle access gate and a single lock-up garage with an adjoining covered pergola and is framed by a neat brick fence across the front boundary.

A covered portico protects the side-positioned entryway which leads through to a sunny, air-conditioned living room promoting timber-laminate flooring, high ceilings and large windows. Decorative retro pendant lighting is present and also found in the formal dining room.

The spacious kitchen is bathed in light via two large sliding windows that provide a view out to the backyard where the kids will have plenty of space to run around and play. Stone bench tops are an opulent touch, adorning an abundance of matt-white cabinetry. A tiled splashback reaches the ceiling around the entire room, and home chefs will appreciate the freestanding electric oven and gas burner cooktop.

Three bedrooms also boast timber laminate flooring and window furnishings. They are serviced by a well-sized bathroom which vaunts a similar level of finish to the kitchen with matching stone and matt-white vanity unit cabinetry. Full-height tiles are a luxurious addition, while a semi-frameless shower opposes a frameless mirror.

This abode is brilliantly positioned within walking distance of the popular and expansive Parkmore Shopping Centre, Wallarano Primary School, Keysborough Secondary School, Chandler Park Primary School and Resurrection Primary School. Only metres away are the Frederick Wachter sporting fields, reserve and playground, Keysborough Tennis Club and the 816 bus route.
