A LITTLE GEM

This unit is an absolute gem and currently configured as a two-bedroom but the back lobby or study area could be turned into a third. The current bedrooms are large and have ceiling fans whilst the open-plan lounge/study/kitchen is serviced by a large split system air conditioner plus a ceiling fan. The kitchen is sufficient and has overhead cupboards, good bench space, a freestanding oven and island perfect for the quick meals. The bathroom is great with a glass shower, corner vanity unit and is tastefully finished with tiles from floor to ceiling. The toilet is separate to the bathroom and a spacious laundry. The features outside will please all like the air-conditioned games room perfect for sleepovers and the carport will cater to 5 vehicles. The Colorbond shed is the perfect place to tinker with the car or boat as is a massive 10 metres by 7 metres and approximately 5 metres in height possibly with room for a hoist and to top it off the back third has a mezzanine floor. The rear yard is of a good size and the property is fully fenced. The current owners willing to lease back for 6 months.
