West End Quiet Location!

The classic red brick veneer and terracotta tiled roofed home at No. 16 Muntz Street is one of the best you will find and enjoys a highly prized location just a short walk from a variety of local shops and primary school.

The dwelling has been extensively refurbished with excellent quality appointments throughout.

In addition to a formal living room there is a very spacious family/kitchen/dining area connecting directly to a covered, timber decked alfresco entertaining area.

Two fully refurbished bathrooms provide a touch of luxury to this immaculately presented three bedroom family home.

Ducted heating and cooling plus a gas log heater has been installed to provide the best of comforts.

The Colorbond fenced large site easily accommodates a wide carport, plus single lock-up garage plus garden shed with extensive extra space for family use with a central location and immaculate improvements to the property is instantly appealing and should see early new ownership.
