Close your eyes and imagine the potential!

A fantastic opportunity is waiting in the heart of Robinvale, this property is ideal for investors or renovators ready to break into the market or those looking to downsize & not compromise.

The residence boasts three bedrooms with BIR, and a central bathroom. With an open-plan living and dining, and kitchen. Outside the gardens offer a blank canvas, a convenient carport with the addition of off-street parking.

Bring your imagination, paintbrush and hammer as the dwelling needs some TLC however the location provides easy access to the Robinvale CBD including IGA supermarket, recreational grounds and medical services making it an ideal choice for comfortable and convenient living.

Act fast and seize this investment opportunity, this property is a blank canvas, ready for your creative touch. With a little work, it has the potential to become your perfect first home or investment.
