Discover this delightful 3-bedroom home nestled in the heart of Venus Bay, ideal for family living or a tranquil getaway. Featuring a spacious living area, this home offers a comfortable atmosphere with built-in robes and a wood heater for those cool evenings. There is also a split system for heating and cooling. The well-appointed kitchen includes a dishwasher, making meal prep a breeze, plus plenty of bench and storage space. The whole home enjoys plenty of beautiful natural light throughout the day. Step outside from the two bedrooms on the second level to enjoy your own private balcony, perfect for soaking up the sun. These two rooms are also serviced by their own split systems for heating and cooling. The lower deck is big enough for everyone to enjoy, and being undercover means it can be utilised all year round. The fully fenced yard provides security for children and pets, while the additional open spaces ensure plenty of room for outdoor activities. With a shed/workshop and solar panels already installed, this property is both practical and eco-friendly. Additional features include 2 toilets, a concrete driveway, beautiful gardens, and a beautifully renovated family bathroom plus more. Contact our friendly team today to arrange your private inspection.
