Neat as a Pin in a Quiet Street

This property presents a wealth of possibilities for families, investors, retirees, or young couples just starting out. The 3-bedroom brick veneer home features a master bedroom with a walk-in robe and a private retreat/office, while bedrooms 2 and 3 come with built-in robes.

The spacious lounge room is equipped with a reverse-cycle split air conditioner and the modern kitchen boasts a large pantry.

A formal dining room, family room with a bar, laundry, bathroom with shower, bath, and vanity, and a separate WC complete the interior.

The home also includes ducted evaporative air conditioning and a 3kW solar system for energy efficiency.

Outdoors, you'll find a large, paved outdoor entertaining area, a double garage with a carport, and a fully fenced, gravelled backyard with landscaping.

Located in a peaceful cul-de-sac on a corner allotment with dual access, this home is ready to move into and showcases all the effort the vendors have invested in creating a comfortable, inviting space.
