Home Or Investment . It's Yours To Decide!

If you are looking to step into the real estate market as a first time owner or are looking for an investment property then this home might just be the right one to start with. Set in the picturesque town of Camperdown this property is within walking distance to the town centre and two schools.

The home has three bedrooms, a separate lounge room, kitchen/dining area, bathroom (with a shower and a bath), laundry and a separate toilet. There are polished floorboards throughout the house and a natural gas heater provides heating.

Outside provides a blank canvas with plenty of room to add on either a shed or some garden beds. Currently there is an old garden shed used for storage.

Viewing is by private inspection so be quick and call Brian on 0409939257.
