Modern Sanctuary

Constructed in 2013 this warm, contemporary home is located at the end of a quiet cul-de-sac. Through its stilt design, the property seamlessly flows into the landscape, while maximising the hill and valley vistas surrounding the property.

Upon entry, you are greeted by the master suite with a walk-in-robe and private ensuite. Two additional bedrooms enjoy built-in robes and a second bathroom to share.

A Huon Pine staircase connects the front of the house to the centrepiece of the home, the open plan living and kitchen. Through its thoughtful incorporation of large windows on the north-east corner and 14-foot-high ceilings, this inviting and warm space enjoys an abundance of natural light.

The modern kitchen also possesses high quality appliances and fixtures, with a generous breakfast bar. The living area integrates indoor/outdoor lifestyle through the adjoining timber deck that takes full advantage of all day sun.

The home also integrates an economic and environmental approach to power, with solar panels located on the North-East side of the roof. Located only minutes from Glenorchy and Lenah Valley amenities, and within 15 minutes from the Hobart CBD, this property offers a modern sanctuary without sacrificing convenience.
