Ready for Summer

In its sunny location, with views to the ocean and bay, 17 Parnella Drive may be just the home you've been waiting for. With its recent fresh coat of paint, and immaculate presentation, this is an affordable home with everything you need, especially with most furniture included.

Two of the bedrooms have built-in robes, while the master has an ensuite. The generous lounge area flows into the dining area and into the spacious kitchen. The home's sunny aspect has views of the ocean and lends itself to extending the balcony to north-east end of the home for an all-day sunny outdoor living area which will capture bay views as well.

There is a 6x6m garage with roller doors, and another 5x6m shed that is lined and could be used as a rumpus room. There is also a 3x3m garden shed to top off the wish list. There is also plenty of room under the home for storage and the fully fenced garden has a selection of natives and ornamentals, and a prolific lemon tree.

Stieglitz has been a favourite holiday destination for generations of Tasmanians thanks to its proximity to the bay, several boat ramps, surf beaches just a few minutes up the road, and the centre of St Helens itself. St Helens is the largest centre on the East Coast and offers an enviable lifestyle for anyone who appreciates living within easy access to stunning natural beauty, fresh and saltwater fishing, surfing, diving, world-class mountain bike trails, bush walking and following exquisite food and wine trails. The town is fully serviced with schools, hospital, hardware, cafes and restaurants, community centre, light industrial area and employment opportunities.
