Directly opposite native reserves, walking tracks

A stroll from shops, school or university, directly overlooking lush native reserves, where the iconic Googik Walking Track winds many kilometres through sublime natural bushland, this impressive four-bedroom family home embraces lifestyle on its doorstep.

- Light-filled, contemporary family home, faces native reserve
- Googlik track passes directly opposite; hiking, bike riding
- Expansive interiors reflect practical, yet harmonious style
- Fine tiles, light neutral décor, eco-friendly ceiling fans
- Four double bedrooms all have generous built-in wardrobes
- Chic master ensuite supplements modern designer bathroom
- Central media room; the hub of family entertainment
- Quality gourmet stone kitchen; gas cook top, walk-in pantry
- Air conditioned living flows to private alfresco terrace
- Wide side access to grassy gardens; six minutes CBD, beaches
