## Welcome to Luxury on Keldie

Nestled within an enviable cul-de-sac, this stunningly renovated residence presents a superb opportunity for families, retirees, investors and holidaymakers alike. The home sits on a generous 1080 sqm lot, offering a canvas for endless outdoor enjoyment and the potential for a swimming pool or secondary dwelling (STCA).

Upon entering via the large front door and welcoming entry, one is greeted by a sophisticated open-plan living and dining area, complete with an eye-catching aquarium feature wall. The heart of the home is the kitchen, boasting stone benchtops, an island bench for casual meals and electric cooking facilities. A separate, vast walk-in pantry provides ample storage solutions.

Four spacious bedrooms ensure comfort for all occupants. An additional office nook is hidden behind the aquarium. The master suite is a retreat within itself, offering a walk-in robe and an impressive ensuite, recently modernised to include floor-to-ceiling tiles, a sleek vanity and a double shower.

The ducted A/C will keep you and all your guests warm or cool all year round.

The main bathroom is centrally located and has also been renovated with luxury in mind. Featuring wall to ceiling tiles, a free standing bath, a huge double shower and hung vanity.

Additional living space is bathed in natural light, thanks to the windows that surround, creating an inviting area for relaxation. Outside, the expansive undercover entertaining area and spa promise delightful gatherings amidst a backdrop of the vast fully fenced garden. This space is something some can only dream of.

Many memories will be created under the high pitched roof.

The double garage with internal and backyard access offers the perfect space for your cars as well as plenty of storage. However, the driveway is all concrete and offers plenty of off street parking.

The property also features 10 kw of solar panels, a sizeable garden shed and convenient side access. Located a stone's throw from the water's edge and just around the corner from a children's park and local shops this home is also a only brief drive from the pristine sands of Jervis Bay and the delightful eateries of Huskisson.

Welcome to your own slice of paradise, where every detail is tailored for a lifestyle of ease, luxury and pleasure.
