Tranquil green pastures and established gums set the scene for this magnificent country homestead, centred on an approximate 1.191 hectare, offering a once in a lifetime opportunity to make a lifestyle change. Boasting a solid brick stature trimmed with an iconic wraparound bullnose verandah, this idyllic family home delivers a spacious interior, doubling on entertaining quarters surrounding the property. Beautiful exposed timber beams create a unique sense of warmth throughout the open plan living and dining area, complimented by large double windows and a gorgeous free-standing fireplace taking centre stage. The generously sized kitchen offers ample bench and cabinetry space for multiple family members to enjoy preparing meals together. Stunning master set to one end of the home complete with walk in robe and modernised ensuite. Three further bedrooms include built-in wardrobes and ceiling fans, positioned adjacent to the oversized bathroom with separate WC. In addition to the oversized garage and carport, there is a mezzanine easily doubling as a teenage retreat of facilities for extended family. Private, secluded and seemingly miles from anywhere, yet still with conveniences in close proximity, including shopping facilities at Tanilba Bay and Medowie, as well as some of the finest beaches the NSW coast has to offer.
